Once again we are able to make up some Special Collections suitable for most positions in the garden, with discounts of up to 40% off our catalogue prices. Please look through our offers for some new and interesting selections. We do hope you will take this opportunity to order from us once again or have some plants sent to some of your gardening friends. These collections are available from the nursery - **BUT, please allow us a few days to get them ready for you before you come to collect - especially during the busy season.**

Most of the plants we offer are grown with little or no protection at our Nursery in the North Pennines. The plants we deliver by mail order are the same plants sold at the Nursery. We send the plants in their pots by a 24 or 48 hour service, carefully wrapped so that once received, apart from having to replace any grit top dressing that has been taken off before dispatch they should be ready to be planted out in your garden.

Situated in the North Pennines we welcome visitors to the Nursery during our business hours. Our latest descriptive catalogue is available, please send 4 first class stamps for a copy, or it can be found on our web site [www.plantswithaltitude.co.uk](http://www.plantswithaltitude.co.uk).

U.K. Packing and Postage. We will usually despatch orders by Parcel Force 48 and offer this at a fixed rate of £8.50 per parcel of up to approx. 40 plants (as many collections as you like!) to the same address. (Due to the increased cost of Postage etc. we would ask that when ordering many more than 40 plants, please add more postage.) If you would like us to send parcels direct to several addresses please make this very clear in your instructions and include the appropriate carriage charge per separate address. We will forward any messages or cards you require us to with these parcels, please give us clear instructions.

**These rates DO NOT cover delivery to N. Ireland, the various Islands and the North of Scotland including all IV Postcodes and others. If you are not sure please contact us for these areas. We will use the best service available to us, please include postage of approximately £17.00 for these areas. Orders to Channel Islands please allow £20.00 Orders within the EU. We can usually pack up to about 40 plants per parcel and send using a 3-5 day carrier for about £26.00 per parcel to most EU Countries - Please enquire.**

Whilst every effort is made we reserve the right to substitute from the varieties mentioned in the text with plants of similar type and value if absolutely necessary. These offers apply only while stocks last.

Please send your order by POST, FAX or E-mail. If you are ordering by Telephone be patient, we are out and about on the Nursery a lot and you may not get an answer, please leave a brief message and we will phone back!

Good Gardening and many thanks for your continued support.

Neil and Sue Huntley.

## Hardy Plant Collections

Try one of our collections of Trough Plants.

Col 1 **Our selection of 10 Trough Plants.** £35.00

Col 2 **Our selection of 20 Trough Plants inc. a Dwarf Conifer.** £65.00

Trough gardens allow us to grow a range of the choice small plants in a position where they can be admired in perfect condition. We will include a slow growing conifer to give architectural interest in the larger collection, plus a range of good small growing Alpines to give form and colour over a long period.

Try one of our selections of Unusual Compact Bulbs and rhizomes.

Col 5 **Our selection of 6 Unusual Compact Bulbs and rhizomes.** £27.00

We have an interesting range of the early flowering Corydalis forms, Anemones, Anemonellas, Erythroniums and many more from which we will make up an excellent value selection.

Try a collection of Woodland Plants including "Wood Anemones".

Col 10 **Our selection of 6 Different Woodland Garden Plants.** £21.00

Col 11 **Our selection of 10 Different Woodland Garden Plants.** £30.00

Woodland plants have become very popular recently. We will include lovely forms of our native "Wood Anemone", plus Trilliums, Uvularia, Tiarellas and other shade tolerant plants.

Try one of our collections of Easy and Reliable Rock Garden Plants.

Col 15 **Our selection of 10 Easy and Reliable Rock Garden Plants.** £28.00

Col 16 **Our selection of 20 Different Easy and Reliable Rock Garden Plants.** £50.00

Col 17 **Our selection of 40 Easy and Reliable Rock Garden Plants.** £90.00

These popular collections will include our selection of plants to give foliage and flower colour over a long period. Usually including a range of Campanula, Dianthus, Lewisia, Phlox, Saxifraga and other showy, easy and reliable plants suitable for most soil conditions.

Collections of Rare and Unusual Alpines for a Raised Bed or Alpine House.

Col 18 **Our selection of 10 Rare and Unusual Alpines.** £35.00

Col 19 **Our selection of 20 Rare and Unusual Alpines.** £65.00

We will select a range of the better more compact growing Alpines for this choice collection. We will include some of the lovely compact European Primulas, Saxifrages, Soldanellas and other choice plants.

We have a good stock of Ferns and offer the following collection.

Col 25 **Our selection of 6 different Ferns for attractive year round appeal.** £18.00

A selection of both evergreen and deciduous ferns for a shady position that is not too dry - if you need the collection for drier soil please let us know so we can include appropriate plants.

**Try a collection of Autumn Flowering Gentians.**

**Col 30** Our selection of 6 Different Autumn Gentians. The Autumn £21.00  
Gentians like a sunny position in a lime free soil that does not get too dry. We grow a range with flowers varying from white through pale blue to striped and dark blue forms. Most will flower for a long period through the Autumn.

**We have a good stock of Hardy Geraniums and offer the following collection.**

**Col 40** Our selection of 6 Different Hardy Compact Geraniums. £21.00

**Try one of our selections of Dwarf Hostas.**

**Col 50** Our selection of 6 Dwarf Hostas. We grow a number of small £30.00  
Hostas and can include a range of named varieties.

**Try a collection of Primula allionii forms for the Alpine House.**

**Col 60** Our selection of 6 Primula allionii forms for the Alpine House. £21.00  
We have a excellent selection of named forms of P. allionii . Many are available in very limited quantities at present. A good range of colours and forms will be included in this special Collection.

**Try a Collection of European Primulas**

**Col 63** Our selection of 6 European Primulas for Trough or Raised Bed - £21.00  
or these could also be grown in pots and make very attractive specimens for a Cold Greenhouse or Alpine Display. We grow a wide range of compact growing European Primulas - both species and Cultivars - in a range of flower colours from white, creams and yellows through to pinks, mauve and blue. We will supply the best range available at the time of ordering.

**Try one of our selections of Asiatic and Petiolaris Primulas.**

**Col 65** Our selection of 6 Asiatic and Petiolaris Primulas. £24.00  
We have a good range of rarely offered Primulas from which we will make a selection to give a flowering season from early spring through to the summer. Interesting and unusual compact plants for a lime free soil that is not too dry, and some preferring a shady position out of direct sun.

**Try one of our selections of Roscoeas.**

**Col 75** Our selection of 6 different Roscoeas. Roscoeas are amongst some £30.00  
of my favourite plants with a long flowering season. The earliest flowering varieties can start flowering in early June for us and the late flowering varieties can still be in flower in the Autumn. These plants often do not appear in growth until May, they then grow rapidly and flower for many weeks producing a succession of orchid-like flowers. Ideal in the herbaceous border preferring good drainage so that they do not become waterlogged during their dormant period. We can supply a range to flower throughout the summer and in a range of colours.

Try a collection of Peat Garden Plants including Dwarf Rhododendrons.

Col 85 Our selection of 10 Plants including a Dwarf Rhododendron. £35.00

Col 86 Our selection of 20 Plants including Dwarf Rhododendrons. £65.00

The plants suitable for a Peat Garden have always been some of our favourites. This will include a Slow Growing Rhododendron for spring colour plus a range of other plants suitable for a lime-free soil. Ericaceous Shrubs, Autumn Flowering Gentian, Primulas and other plants from the wide range we grow.

*(Please remember to add postage as necessary)*
